COMMISSION ON HUMAN RIGHTS

Open-ended working group on
the right to development
Geneva, 25 February-8 March 2002

Background note by the secretariat

1. The purpose of this background note is to clarify the numbering of in-session documents for the current session of the open-ended working group on the right to development.

2. Two different sets of numbering have been used. The reason for the differences in numbering is due to the two changes of dates for the session - from 3 to 7 December 2001, to 11 to 22 February 2002 and finally to the current dates of 25 February to 8 March 2002.

3. The following numbering applies:
